

## Project List

"WAEICON" LLC provides a wide range of quality professional services, thanks to superior work planning and precision of specialized tasks. Since 2009, the company has fulfilled sophisticated preferences of many local and international customers, gaining a reputation of a responsible and reliable company.

Below is the list of projects completed by "WAEICON" LLC since its establishment:

### **«MERCURE TSAGHKADZOR», Hotel Complex Construction**

18/4 Pahlavunyats St., Tsaghkadzor, Kotayk Region, RA

Construction Value: 10 050 m2

- Assumption of General Contractor functions within the construction scope: regulation, supervision, inspection, commissioning of works performed by contractors/subcontractors, and execution of other organizational activities
- Execution of construction works by the General Contractor using its own labor and equipment, supply of materials, provision of services, and supply of necessary construction machinery, mechanisms, or equipment
- Site organization and mobilization
- Complex groundworks
- Foundation preparatory works of the building
- Installation of foundation reinforcement cage, concreting, and waterproofing
- Construction of reinforced concrete load-bearing structures
- Construction of stairwells
- Construction of reinforced concrete retaining wall
- Cladding and facing works
- Interior finishing
- Roofing construction, waterproofing, and installation of drainage system
- Production and installation of metal elements / structures
- Production, supply and installation of aluminum doors, windows and stained-glass systems
- Supply and installation of equipment for all engineering specialties
- Construction of boiler house building and installation of heating system
- Installation of external water supply and sewerage (drainage) systems
- Installation of internal water supply systems
- Installation of domestic sewerage system and construction of wastewater treatment plant building
- Installation of pumping station and storage tanks (reservoirs)
- Installation of HVAC and smoke control systems
- Execution of electrical installation works
- Installation of GRMS (Guest Room Management System)
- Installation of BMS (Building Management System)
- Supervision of low-current works execution

- Construction of elevator shafts and installation of elevators
- Installation of irrigation system with pumping station and construction of water reservoir
- Installation of outdoor and architectural lighting
- Site/ Territory improvement, landscaping, and construction of a playground
- Full furnishing and installation of interior accessories
- Post-construction cleaning works
- Testing, commissioning and handover

### **Multifunctional Residential Building, "RINVEST" LLC**

A. Arinj District A, 7th St., 11, Kotayk Region, RA

Construction Value: 15 941 m2

- Assumption of General Contractor functions within the construction scope: regulation, supervision, inspection, commissioning of works performed by contractors/subcontractors, and execution of other organizational activities
- Execution of construction works by the General Contractor using its own labor and equipment, supply of materials, provision of services, and supply of necessary construction machinery, mechanisms, or equipment
- Site organization and mobilization
- Complex groundworks
- Foundation preparatory works of the building
- Installation of foundation reinforcement cage, concreting, and waterproofing
- Construction of reinforced concrete load-bearing structures
- Construction of stairwells
- Construction of reinforced concrete retaining wall
- Cladding and facing works
- Interior finishing
- Roofing construction, waterproofing, and installation of drainage system
- Production and installation of metal elements / structures
- Production, supply and installation of aluminum doors, windows and stained-glass systems
- Supply and installation of equipment for all engineering specialties
- Installation of external water supply and sewerage (drainage) systems
- Installation of internal water supply systems
- Installation of domestic sewerage system and construction of wastewater treatment plant building
- Installation of pumping stations
- Installation of ventilation, heating and smoke control systems
- Execution of electrical installation works
- Supervision of low-current works execution
- Construction of elevator shafts and installation of elevators
- Installation of irrigation system with pumping station and construction of water reservoir
- Installation of outdoor and architectural lighting
- Site/ Territory improvement, landscaping, and construction of a playground
- Post-construction cleaning works
- Testing, commissioning and handover

### **"ARENI CULTURAL CENTER" PART IV, General Construction Works**

5 str.,16, Areni village, Areni community, Vayots Dzor region, Armenia

Construction Value: 2200 m2

- Security checkpoint, construction of an adjacent metal structure

- Reconstruction of roofs
- Interior finishing / Equipping
- Fabrication and installation of metal fencing elements
- Supply and installation of complementary engineering equipment
- Shelter ventilation system integration
- Installation of a VRF air conditioning system for the walk-through entrance zone
- Supply and installation of aluminum doors and additional grilles for installed windows
- Landscaping and improvement of the adjacent area

### **"AVATR ARMENIA" Car Showroom Construction**

1 M. Mkrtchyan St., Parakar, Armavir Region, RA

Construction Value: 1030 m2

- Complex groundworks
- Foundation preparation works
- Reinforcement cage fabrication and concreting of strip foundations
- Construction of foundation frame: beams and girders
- Construction of reinforced concrete load-bearing structures
- Construction of monolithic reinforced concrete floors

### **Construction of a residential building, RA, Yerevan, Avan**

Avan, 161 N. Safaryan St., RA, Yerevan

Construction Value: 1349 m2

- Construction of a residential building, indoor parking, and summer kitchen
- Groundworks and foundation preparatory works of the building
- Installation of foundation reinforcement cage, concreting, and waterproofing
- Installation of reinforcement cages, concreting, and construction of monolithic reinforced concrete structures: slabs, shear walls, RC columns, beams, and frames
- Construction and installation works of the frame: columns, beams, and purlins
- Construction of reinforced concrete load-bearing structures
- Construction of stairwells, monolithic reinforced concrete slabs, and stair flights

### **"ATENK" LLC Administrative building / VRF System**

Nor Hachn, Getamej village, 1st St., 6th Blind Alley, Kotayk Region, RA,

Construction Value: 790 m2

- Supply of materials and equipment for office VRF air conditioning system
- Installation and assembly of VRF air conditioning materials and equipment, as well as execution of testing and commissioning works

### **Fountain System, Kapan City, park adjacent to the Municipal Building**

Park adjacent at the Municipal Building Kapan, Syunik Region, RA

Construction Value: 110 m2

- Supply and installation of fountain systems
- Hydraulic construction and assembly works
- Electrical installation works
- Programming and commissioning of fountain systems

### **"VG MOTORS" LLC Petroleum products storage and distribution terminal**

26 M. Mkrtchyan St., Parakar, Armavir Region, RA

Construction Value: 1637 m2

- Complex groundworks
- Foundation preparation works
- Reinforcement cage fabrication and concreting of strip foundations
- Construction of foundation frames: beams and girders
- Construction of reinforced concrete load-bearing structures
- Construction of monolithic reinforced concrete floors
- Construction of reinforced concrete staircases
- Construction works for the underground storage facility
- Foundation construction for auxiliary buildings and office section
- Reinforcement and concreting works for the general area and parking lot

### **Installation of ZZBO Concrete Plant 45 m<sup>3</sup>/h**

Gavar City, Gegharkunik Region, RA

Construction Value: 1200 m2

- Site survey and preparation for installation
- Implementation of complex construction and installation works
- Installation of components: structural frame, aggregate storage bins, installation of the mixer and belt feeder, and assembly of the segmental silo
- Installation of electrical distribution boards and automation systems
- Full setup and testing of the plant's automatic system

### **"MAESTRO HALL" Event Hall**

Verin Ptghni, 5th St. 1st Blind Alley Kotayk Region, RA

Construction Value: 275 m2

- Engineering and technical calculations for glazing
- Control and measurement works
- Import of aluminum profiles, components and accessories
- Production, supply and installation of facade aluminum structures, stained glass and doors

### **RA Gavar city, Landscaping, reconstruction of the central square and fountain system**

Gavar city, Gegharkunik region, RA

Construction Value: 7050 m2

- Concept development and design of the fountain system
- Supply of fountain system equipment
- Implementation of the general project of the fountain complex, including hydraulic and electrical parts
- Construction and installation works
- Restoration and waterproofing of the pool floor and walls for the fountain
- Carrying out communication trenches to the pool for the fountain
- Construction of a technical room
- Water supply to the pool for the fountain
- Implementation of emergency and seasonal drainage systems
- Implementation of the water circulation and filtration system in the pool for the fountain
- Landscaping and reconstruction of the surrounding area

- Supply and installation of an acoustic system
- Supply and installation of a video surveillance system
- Setting up and programming of the fountain system, integration with other systems

### **RA, Yerevan, city, "Mergelyan" Park's fountain system supply and installation**

Yerevan city, RA

Construction Value: 200 m<sup>2</sup>

- Supply and installation of dry fountain system equipments
- Implementation of commissioning works of the fountain complex, include calculation of the hydraulic and electrical parts

### **"Cultural Center" in Areni community, Vayots Dzor region**

5, 16 str., Areni village, Areni community, Vayots Dzor region, Armenia

Construction Value: 5030 m<sup>2</sup>

- The General Contractor's activity within the framework of the complex construction: regulation, control, inspection, delivery and acceptance of the works carried out by the Contractor/subcontractor organizations, and implementation of other organizational works.
- Implementation of construction works, supply of goods, materials and services, provision of the required construction machines or equipment within the scope of the General Contractor's authority and with the involvement of its own labor force and machinery.
- Organization and mobilization of the construction site
- Complex earth works
- Basic site preparation of the main buildings and the hall construction
- Formation of a reinforced foundation base, concreting and waterproofing
- Construction of reinforced concrete structures
- Stairs construction
- Construction of reinforced concrete retaining wall
- Facing works
- Interior finishing works
- Roof construction, waterproofing and drainage
- Manufacture and installation of metal elements
- Manufacturing, supply and installation of aluminum doors, windows and stained-glass windows
- Supply and installation of all types of engineering equipment
- Construction of the boiler room and system integration
- Outdoor water supply and drainage system implementation
- Indoor water system implementation
- Implementation of household sewerage system and wastewater treatment system
- Pumping stations construction
- Implementation of ventilation, air conditioning, heating systems
- Implementation of electrical works
- Diesel generator installation
- Installation of an irrigation system include pumping station, construction of a reservoir
- Implementation of architectural and facade lighting of buildings
- Landscaping, organization of a playground
- Implementation of area lighting
- Landscape gardening of the area

### **"Avan Dzoraget" hotel, D&W , "TUFENKIAN HOSPITALITY" LLC**

Village Dzoraget, region Lori, Armenia

Construction Value: 510 m2

- Engineering calculations and measurements
- Import of aluminum profiles, fittings and accessories
- Production, supply and installation of aluminum constructions, doors and stained glass windows.

### **"HIN ARENI" CJSC, Wine Factory**

ter. 7, 1st lane, st. 43, Areni village, Vayots Dzor region, RA

Construction Value: 4000 m2

- Earthworks and basic site preparation of the building
- Implementation of the rebar framework of the base, concreting and waterproofing
- Implementation of the rebar framework and concreting of the monolithic reinforced concrete columns, beams and frames
- Implementation of the reinforced concrete foundation and rebar framework of the wall
- Concreting and waterproofing of reinforced concrete base and the wall
- Implementation of the rebar framework and concreting of the monolithic reinforced concrete roof, stairwells and the wall

### **"Medical Horizon" LLC, Two-Store Building, Factory PART II**

Bld. 8, Hrant Vardanyan str., Masis, Ararat province, Armenia

#### **Two-Store Building**

Construction Value: 1 470 m2

- Plasterboard wall internal finishing of external walls and implementation of internal partitions
- Calculation, supply and installation of ventilation, air conditioning, heating systems equipment
- Calculation, supply and installation of boiler room equipment
- Calculation, supply and installation of internal water supply and domestic sewage system
- Electric installation works

#### **Factory**

- Calculation, supply and installation of ventilation, air conditioning, heating systems equipment

### **Construction of a winery building, "TUFENKIAN HOSPITALITY" LLC**

RA, Vayots Dzor region, Areni village, 15th st.

Construction Value: 504 m2

- Land and basic preparatory work of the building
- Forming, concreting and waterproofing the reinforcing frame of the foundation
- Construction of reinforced concrete structures
- Execution of external and internal walls
- Flat roof construction
- Implementation of waterproofing and drainage systems
- External and internal finishing works

### **"TECHNOTUN" LLC, Multi-apartment residential building**

RA, Yerevan, Arabkir administrative district, st. Aghbyur Serob 50

Construction Value: 15 800 m2

- Calculation and design ventilation, smoke exhaust and heating systems, supply of equipment and construction and installation works
- Calculation and design of boiler room systems, equipment supply and construction and installation works
- Calculation and design of the internal water supply network, pumping station and domestic sewage systems, equipment supply and construction and installation works
- Calculation and design of the fire extinguishing system and the adjacent pumping station, equipment supply and construction and installation works
- Calculation of the tank connection unit, equipment supply and construction and installation works

#### **RA Gavar city, Supply of the fountain system of the central square**

Gavar city, Gegharkunik region, RA

Construction Value: 705 m2

- Supply of fountain system equipments
- Design all projects of the fountain complex, include calculation of the hydraulic and electrical parts

#### **"TUFENKIAN HOSPITALITIES" LLC, Areni Wine Hotel Complex General Construction Works, General Contractor Activities**

Village Areni 2nd Str., region Vayots Dzor, Armenia

Construction Value: 50 000m2

- The General Contractor's activity within the framework of the complex construction of the hotel: regulation, control, inspection, delivery and acceptance of the works carried out by the Contractor/subcontractor organizations, and implementation of other organizational works.
- Implementation of construction works, supply of goods, materials and services, provision of the required machines or equipment within the scope of the General Contractor's authority and with the involvement of its own labor force and machinery.

#### **"GRAND MASTER" LLC, Administrative building, HVAC**

Str. Hrant Vardanyan 8, Masis, Ararat province, Armenia

Construction Value: 1 128 m2

- Supply and installation works of VRF air conditioning and ventilation system
- Supply and installation works of heating system
- Supply and installation works of boiler equipment

#### **"Medical Horizon" LLC, Two-Storey Building**

22 H. Vardanyan Str., Masis, Ararat province, Armenia

Construction Value: 1 240 m<sup>2</sup>

- Preparation works for foundation
- Marking, reinforcement, concreting and waterproofing of the foundation
- Concrete structures construction
- Installation of precast concrete beams
- Waterproofing and installation of drainage system
- Landings construction
- Flat roof construction
- Implementation of external walls

### **Charitable public organization "SUPPORT FOR WOUNDED SOLDIERS AND MILITARY DISABLED", HVAC**

Str. Abovyan 58, Yerevan, Armenia

Construction Value: 4 000 m<sup>2</sup>

- Calculation, supply of equipment and installation of ventilation, air conditioning and smoke exhaust system
- Installation and adjustment of heat supply units
- Calculation, supply and montage of heating system
- Supply and installation of electrical power distribution boards
- Electric installation works

### **"TUFENKIAN HOSPITALITY" LLC, Areni Wine Hotel Complex, HVAC**

Village Areni 2nd Str., region Vayots Dzor, Armenia

Construction Value: 16 681 m<sup>2</sup>

- Calculation, supply of equipments and installation works of ventilation, air conditioning, heating and smoke exhaust systems
- Calculation, supply of equipments and installation works of boiler room and heating supply systems (individual heating units)

### **Mother See of Holy Etchmiadzin, "Candlelighting Gallery and Tomb", HVAC**

Vagharshapat, Armavir province, Armenia

Construction Value: 995 m<sup>2</sup>

- Supply and installation of ventilation, air conditioning and heating systems
- Production and installation of stainless steel air ducts

### **"Zangezur Copper Molybdenum Combine" CJSC**

Lernagortsneri Str., Building 18, Kajaran, Syunik province, Armenia

Construction Value: 13 790 m<sup>2</sup>

- Development and implementation of technical specifications for the design of aspiration and dust removal systems
- Technical consultation on the installation and operation of filter systems
- According to the results of the introduction of aspiration systems, processing the obtained data on the internal microclimate
- Coordination of a project to minimize air emissions
- Supply of aspiration equipment and accessories, ventilation systems and compressor stations for dust removal systems
- Construction and installation of dust removal aspiration systems, dust collecting metal duct pipelines, support structures, compressed air supply (compressor stations) and power supply system

### **Gabriel Sundukyan National Academic Theatre**

Str. Surb Grigor Lusavorchi 6, Yerevan, Armenia

Construction Value: 1 800 m<sup>2</sup>

- Reconstruction of boiler room, supply and installation of equipment
- Ventilation and smoke exhaust system calculation of boiler-room, supply and installation of equipment

### **"Cascade Business Center" Commercial Building, D&W**

Antarain 11/1, Yerevan, Armenia

Construction Value: 1 280 m<sup>2</sup>

- Technical calculation and measurements
- Supply of aluminum profiles and accessories

- Manufacturing, supply and installation of aluminum constructions, sliding doors, facade structures production and glazing

**"TUFENKIAN HOSPITALITY" LLC, Areni Wine Hotel Complex, D&W**

Village Areni 2nd Str., region Vayots Dzor, Armenia

Construction Value: 2 968m<sup>2</sup>

- Engineering calculations and measurements
- Import of aluminum profiles, fittings and accessories
- Production, supply and installation of aluminum constructions, doors, automatic sliding doors, windows and facade items

**PRIVATE HOUSE, Indoor Pool, D&W**

Azatutyan Ave., Yerevan, Armenia

Construction Value: 71 m<sup>2</sup>

- Technical calculation and measurements
- Supply of aluminum profiles and accessories
- Manufacturing, supply and installation of aluminum constructions, sliding doors

**"HAYASA HOTEL YEREVAN"**

Str. Leo 54, Yerevan, Armenia

Construction Value: 4 187 m<sup>2</sup>

- Supply and construction of air conditioning and ventilation systems
- Construction boiler-house, supply of equipments
- Calculation, supply and montage of heating system
- Supply of equipments, calculation and installation of smoke exhaust system

**"TUFENKIAN HOSPITALITY" LLC, Areni Wine Hotel Complex, W&S**

Village Areni 2nd Str., region Vayots Dzor, Armenia

Construction Value: 16 681 m<sup>2</sup>

- Import and supply hot and cold systems, sewerage, roof drainage and pumping station's pipes and accessories
- Montage hot and cold systems, sewerage, roof drainage and pumping stations

**PRIVATE HOUSE, Indoor Pool, HVAC**

Azatutyan Ave., Yerevan, Armenia

Construction Value: 377 m<sup>2</sup>

- Supply of inlet-outlet systems with automation and dehumidifier

**"DG GROUP" LLC**

Arshakunyats Ave. 194/3, Yerevan, Armenia

Construction Value: 102 m<sup>2</sup>

- Supply and installation of glass doors and accessories
- Manufacturing and glazing of aluminum facade structures

**"GRAND TOBACCO" LLC (Production line cooling)**

Shahamiryanneri Str., 22 Building, Shengavit, Yerevan 0061, Armenia

Construction Value: 435 m<sup>2</sup>

- Calculation, installation, running and adjustment works of technology line chiller

### **"OASIS COMPUTER" LLC**

Sayat-Nova Ave., 33/10 Building, Yerevan, Armenia

Construction Value: 100 m<sup>2</sup>

- Supply of metal columns and montage items

### **"International Masis Tabak" LLC, Laboratory and administrative parts**

Gortsaranain Str., 10 Building, Masis Industrial Hub, Ararat Region, Armenia

Construction Value: 950 m<sup>2</sup>

- Implementing, supply and installation works of ventilation and air-conditioning systems

### **"OASIS COMPUTER" LLC, Multifunctional Commercial**

Arshakunyats Ave. 194/3, Yerevan, Armenia

Construction Value: 1 050 m<sup>2</sup>

- Preparations of building foundation
- Formation of a reinforced foundation base, concreting and waterproofing
- Construction of reinforced concrete structures
- Construction of a flat roof
- Waterproofing and installation of drainage system
- Stairs construction

### **"Isakov Business Center" LLC**

Admiral Isakov Ave., 10/16, Yerevan, Armenia

Construction Value: 2 250 m<sup>2</sup>

- Construction boiler-house, supply of floor standing boilers and other equipments
- Construction and supply of heating system
- Construction and supply of ventilation and air conditioning systems
- Supply & installation of power basement units
- Electro technical works

### **"Zangezur Copper Molybdenum Combine" CJSC, Office in Yerevan**

"Kamar" Business Center, 2 V. Sargsyan Str., Yerevan, Armenia

Construction Value: 1 300 m<sup>2</sup>

- Construction and installation of ventilation and air conditioning

### **The museum of Khrimian Hayrik of Mother See of Holy Etchmiadzin**

Vagharshapat, Armavir province, Armenia

Construction Value: 1 100 m<sup>2</sup>

- Complete deconstruction of the roof
- Thermal insulation and waterproofing
- Refractory of the roof treatment
- Construction of the new basement of the roof
- Installation of the dormer windows
- Mounting of copper roofing

### **Hayordats Tun of Mother See of Holy Etchmiadzin**

Vagharshapat, Armavir province, Armenia

Construction Value: 5 000 m<sup>2</sup>

- Installation works of ventilation system & inlet-outlet ventilation units with automation

- Installation and adjustment of air conditioning and refrigeration units
- Integration and installation of VRF multi zone air conditioning system
- Electrotechnical works
- Construction and reconstruction works

### **The Cultural House Kajaran City**

2 Lernagnatsneri, Kajaran, Syunik province, Armenia

Construction Value: 1 660 m<sup>2</sup>

- Architectural and area lighting projecting and modeling
- Cinema interior lighting calculation and modeling
- Supply of lighting equipment and mounting author supervision
- Chief installation and programming of the «DALI» control system

### **"Grand Candy" LLC**

55/11 Bagratunyats Str., Yerevan, Armenia

Construction Value: 1 647 m<sup>2</sup>

- Protective covering of external ducts

### **"Coca-Cola HBCA" CJSC**

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 230 m<sup>2</sup>

- Implementing, supply and installation works of ventilation and air-conditioning systems of new visiting center

### **Gastropolis Food Market**

Kamar Business Center, 2 V. Sargsyan Str., Yerevan, Armenia

Construction Value: 685 m<sup>2</sup>

- Calculation of interior lighting
- Supply of lighting equipment

### **The museum of Arshile Gorky of Mother See of Holy Etchmiadzin**

Vagharshapat, Armavir province, Armenia

Construction Value: 1 100 m<sup>2</sup>

- Calculation and installation works of air conditioning and ventilation recirculation systems
- Calculation and installation works of compressor-condenser unit of refrigeration system
- Reconstruction of roof, repair works of roof cover and waterproofing
- Interior finishing works
- Calculation and installation works of antifreeze automation systems

### **"Grand Candy" LLC**

55/11 Bagratunyats Str., Yerevan, Armenia

Construction Value: 13 596 m<sup>2</sup>

- Calculation of air conditioning and ventilation systems
- Installation of inlet-outlet ventilation systems with automation
- Installation and adjustment of air conditioning and refrigeration units
- Construction and installation of hydraulic manifolds and pipelines
- Electrotechnical works

### **Mother See of Holy Etchmiadzin, Patriarchate Residence**

Vagharshapat, Armavir province, Armenia

Construction Value: 20 m<sup>2</sup>

- Supply, installation and launch of fountain system

**"Medical Horizon" LLC**

22 Gortsaranain Str., Masis, Ararat province, Armenia

Construction Value: 650 m<sup>2</sup>

- Supply and installation of air conditioning and ventilation systems

**"Park Village" Hotel**

18/4 Pahlavunyats Str., Tsaghkadzor, Kotayk province, Armenia

Construction Value: 2 200 m<sup>2</sup>

- Supply and installation supervision of lighting equipment

**"Old Norq" Business Center**

20 G. Hovsepyan Str., Yerevan, Armenia

Construction Value: 22 460 m<sup>2</sup>

- Supply of air conditioning and ventilation systems
- Supply of heating systems
- Supply of floor heating systems and other equipment for boiler room

**"Zeppelin Armenia" LLC, Production Areas**

4 Artadrakan, 2 district, Abovyan, Kotayk province, Armenia

Construction Value: 1 414 m<sup>2</sup>

- Electrical wiring of production areas
- Planning, supply and installation of lighting equipment for production areas

**"Coca-Cola HBCA" CJSC, Offices**

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 160 m<sup>2</sup>

- Supply and installation of multi zone ventilation system at the offices

**Private House in Ashtarak**

Ashtarak, Aragatsotn province, Armenia

Construction Value: 2 900 m<sup>2</sup>

- Supply of air conditioning and ventilation systems
- Supply of heating systems
- Supply of floor heating systems and other equipment for boiler room

**"Zeppelin Armenia" LLC, Construction of The Boiler House**

4 Artadrakan, 2 district, Abovyan, Kotayk province, Armenia

Construction Value: 4 464 m<sup>2</sup>

- Construction of the boiler house and heating of industrial areas
- Supply of the heating equipment for industrial areas and boiler house

**"Coca-Cola HBCA" CJSC, Bathrooms and Checkrooms**

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 200 m<sup>2</sup>

- Ventilation and construction finishing works in bathrooms and checkrooms

### **"TEGHOUT" CJSC's Restaurant of Community of Mining Industry**

Teghout community, Lori province, Armenia

Construction Value: 1 000 m<sup>2</sup>

- Projecting of interior lighting
- Supply of lighting equipment

### **"International Masis Tabak" LLC, Canteen**

10 Gortsaranain Str., Masis industrial hub, Ararat province, Armenia

Construction Value: 970 m<sup>2</sup>

- Calculation, supply and installation of air conditioning and ventilation systems

### **"Coca-Cola HBCA" CJSC, Workshop of Syrup Production**

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 135 m<sup>2</sup>

- Supply and installation of inlet and outlet ventilation systems

### **"Tufenkian Historic Yerevan" Hotel Complex**

48 Hanrapetutyan Str., Yerevan, Armenia

Construction Value: 1 600 m<sup>2</sup>

- Projecting of architectural and landscape lighting
- Supply and installation of lighting equipment

### **The Central Square of Kapan City**

Kapan, Syunik province, Armenia

Construction Value: 1 900 m<sup>2</sup>

- Supply and installation of fountain system
- Installation and commissioning of fountain system
- Electrical wiring
- Modeling and calculation for external lighting
- Supply and installation of lighting equipment and lighting columns
- Projecting and calculation of architectural lighting
- Installation works

### **"Coca-Cola HBCA" CJSC, Warehouses of Finished Products**

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 1 550 m<sup>2</sup>

- Supply of industrial fan coils
- Equipment's integration of heating and cooling systems
- Installation of heating pipelines and fan coils
- Installation of heating system

### **"TEGHOUT" CJSC's Hotel of Community of Mining Industry**

Teghout community, Lori province, Armenia

Construction Value: 4 290 m<sup>2</sup>

- Projecting of architectural-façade and interior lighting
- Supply and installation supervision of lighting equipment

#### **"Zeppelin Armenia" LLC**

4 Artadrakan, 2 district, Abovyan, Kotayk province, Armenia

Construction Value: 1 044 m<sup>2</sup>

- Supply of lighting equipment
- Installation works

#### **"Dargett" beerhouse**

72 Aram Str., Yerevan, Armenia

Construction Value: 672 m<sup>2</sup>

- Calculation, supply and installation of heating and ventilation systems
- Calculation, supply and installation of air conditioning systems
- Installation of internal sewerage and water supply system
- Electrical wiring
- Projecting, supply and installation of façade and interior lighting equipment

#### **"Coca-Cola HBCA" CJSC Bottling production site**

3 Azatutyan Ave., Yerevan, Armenia

Construction Value: 600 m<sup>2</sup>

- Supply and installation of ventilation and air conditioning systems

#### **Private House in Dzoraghbyur**

Dzoraghbyur, Kotayk province, Armenia

Construction Value: 3 000 m<sup>2</sup>

- Supply of lighting equipment

#### **The Printing House of Mother See of Holy Etchmiadzin**

Vagharshapat, Armavir province, Armenia

Construction Value: 1 740 m<sup>2</sup>

- Calculation and installation of ventilation and air conditioning recovery system
- Calculation and installation of central refrigeration and air conditioning system

#### **"Republica" Hotel**

7 Amiryan Str., Yerevan, Armenia

Construction Value: 3 180 m<sup>2</sup>

- Installation of power supply unit for main and internal junctions
- Calculation, supply and installation of heating and ventilation systems
- Calculation, supply and installation of air conditioning systems
- Installation of internal and external sewerage, water supply system and the pumping station
- Projecting, supply and installation of interior, exterior and façade lighting equipment

### **"Boghossian Gardens" Foundation**

21 M. Bagrhamyan Ave., Yerevan, Armenia

Construction Value: 17 240 m<sup>2</sup>

- Supply of lighting equipment

### **"METROPOL" Hotel**

2/2 M. Mashtots Ave., Yerevan, Armenia

Construction Value: 1 800 m<sup>2</sup>

- Projecting of outdoor and façade lighting
- Supply of lighting equipment

### **"International Masis Tabak" Tobacco Processing Factory**

10 Gortsaranain Str., Masis industrial hub, Ararat province, Armenia

Construction Value: 2 800 m<sup>2</sup>

- Calculation, supply and installation of recirculating ventilation systems and air conditioning

### **"Vallex Garden Hotel" Banquet Hall**

35 N. Stepanyan Str., Stepanakert, NKR

Construction Value: 250 m<sup>2</sup>

- Projecting of interior lighting, supply of lighting equipment

### **"Vallex Garden Hotel" Sports Swimming Pool**

35 N. Stepanyan Str., Stepanakert, NKR

Construction Value: 580 m<sup>2</sup>

- Projecting of interior lighting
- Supply and installation of lighting equipment

### **"Achajur" Cafe**

22 G. Parpetsi Str., Yerevan, Armenia

Construction Value: 120 m<sup>2</sup>

- Calculation, supply and installation of air conditioning and ventilation multi zone VRF system
- Supply of interior lighting equipment

### **"Eurasia Partnership Foundation" Office**

23 apt., 1/21 Azatutyan Ave., Yerevan, Armenia

Construction Value: 1 428 m<sup>2</sup>

- Supply of lighting equipment

### **"Vallex Garden Hotel" Hotel Complex**

35 N. Stepanyan Str., Stepanakert, NKR

Construction Value: 15 000 m<sup>2</sup>

- Projecting of landscape and architectural lighting
- Electrical wiring
- Supply and installation of lighting equipment

### **"Ingo Armenia" ICJSC**

51/53 Hanrapetutyanyan Str., Yerevan, Armenia

Construction Value: 765 m<sup>2</sup>

- Installation of power supply unit for the main and internal junctions
- Supply and installation of heating systems and water and sewerage systems
- Calculation, supply, installation of ventilation systems and air conditioning

### **"Mika" Football Stadium**

41 Manandyan Str., Yerevan, Armenia

Construction Value: 3 800 m<sup>2</sup>

- Projecting and calculation of football stadium lighting
- Supply and installation of lighting equipment

### **"FILADE" LLC Office**

1/73 G. Sundukyan Str., Yerevan, Armenia

Construction Value: 80 m<sup>2</sup>

- Electrical wiring
- Calculation, supply and installation of air conditioning and ventilation systems
- Supply and installation of heating system
- Projecting of façade and interior lighting, supply and installation of lighting equipment

### **"Aquatus" Shopping Mall**

31 Acharyan Str., Yerevan, Armenia

Construction Value: 1 351 m<sup>2</sup>

- Supply and installation of the equipment of main power supply
